

Faith brings reward. As you walk with God, doors that were closed will open, and doors that you never knew about will be manifested to those who believe. The spirit of power, love, and a sound mind breaks the spirit of fear.

Life's Toughest Questions "Does God Really Care when I'm Hurting"

God hurts when we hurt. The meaning of the cross is God joins us in our pain so that he can help us transform it into triumph.

"Why am I Here Anyway?"

We are all here to do one thing - to use the many gifts we have and to love people as Christ loves people. In short, we are put here for one purpose - To LOVE
