GLENN E. MILLER, SR.

In May of 1991, the vision that God placed on Pastor Miller's heart became a reality. He had a strong desire to make an impact and not just to impress. God has given Glenn E. Miller, Sr. a vision to let the people of God see the potential they have through the understanding and revelation of God's word.

The five facets of becoming all that you can be through the Holy Ghost are:

- Information
- Knowledge
- Education
- Power
- Wisdom

The Vision of Faith is imperative to be able to go above the level of status quo. Fear is an attack of Satan. *"For God has not given us a spirit of fear, but of power and love and of a sound mind,"* (I Timothy 1:7). Faith, when it is based on the word of God, removes fear. *"Without Faith, it is impossible to please Him (God), for he that cometh to God must believe that He is and He is a rewarder..."* (Hebrews 11:6). Notice Faith brings rewards! As you begin to walk with God, doors that were closed will open, and doors that you never knew about will be manifested to those who believe.

The vision of Glenn E. Miller, Sr. is to disciple through the Word and to empower the believers to the extent that each of us will see ourselves as God sees us.

"Write the vision and make it plain."

(Habakkuk 2:2)

In Luke 5:4-7, Jesus told his disciples to launch out into the deep. When we obey the word, we will have to beckon unto our partners to help us pull in the increase. Get ready to receive the increase!
